FORMEN

Laliga Del Phedo Qualified under the saddle in 1'19'6 early-February and even with Paul Ploquin in the saddle, still looks an outsider

Lenola De Cortem Uninspiring 1'20'2 in monte qualification last year. Bites off more than she can chew here and others preferred

Lilas Du Bourg Career debutante that made little impression when qualifying under harness in 1'20'2 late last month and is unlikely to generate much interest

Lilou De Vau Modest 112017 in qualification last autumn and appears to be facing a very stiff test

Lalanga Switches to the monte code after coming 8th of 9 on debut in a 2425m Angers harness Class F late last month. Mathieu Mottier in the irons and must not be underestimated

Leonie Rus Sanctioned on monte debut over course and distance late last month, but showed excellent aptitude nevertheless and, with application, can play an important role

Liberta Del Phedo Moderate filly that faulted in a 2950m Saint-Malo Class F on 14 April and is not about to make any waves

Liberty D'izejy Sanctioned when well-supported in a 2950m Saint-Malo mid-month, making it 3 in a row but will not be far off the mark if she deigns to stays in stride

Lueur Du Chatelet 3rd over course and distance last month before losing her action early in a 2200m Vincennes Class D 11 days ago. Returns to racing clockwise and will have her supporters

Lady Planchette Back under the saddle after coming last of 8 in a 2400m Amiens Class F 8 days ago and can be ruled out

Lovely Cheneviere Showed promise in Paris over the winter but sanctioned in last 4, most recently a 2850m Mauquenchy Class E early-April, and can be passed over

Louna D'estieu 5th here last month but sanctioned in 2 since, most recently a 2350m Angers harness Class D on 11 April, and is unlikely to cause an upset

Lindy Lou Has not been seen out since faulting in a 2700m Vincennes Class B mid-January. May need a run but still looks capable of making a big splash

Legende Du Boulay Won under the saddle last month before finishing last but one in a 2800m Argentan Class E 12 days ago, and returns to code with every chance of finishing close

Lhassa Quick Highly-impressive winner of a 2950m Saint-Malo Class F 2 weeks ago. Should appreciate Caen conditions and can leave the premises unbeaten

After blitzing the opposition on her recent debut, **LHASSA QUICK** (15) gets an excellent opportunity to double her money and is preferred to **LEGENDE DU BOULAY** (14) who opened her monte account just over a month ago. **LINDY LOU** (13) has shown promise and after a short spell returns fresh and with a good hand to play. **LEONIE RUS** (6) looked the part on her recent monte bow and, fitted with front pads, will be no easy touch if she stays in stride.

FORMEN

Le Diamant De Jafa Showed improvement when 6th of 9 finishers in a 2725m Lisieux Class F 2 weeks ago but still has more to find

Latina Pierji 7th of 9 finishers in a 2500m Bihorel-les-Rouen Class G earlier this month and has no realistic chance

Lady Day Qualified in 1'17"8 here in February but has yet to make good on her promise, most recently sanctioned in a 2425m Angers Class F on 23 March. It is only a question of time before she comes good though. Attention

Lets Go Up Has not been seen out since trotting 6th of 12 in a 2050 Cabourg Class D early last October and can be confidently ruled out

Looping Soledad 4th at Amiens first time out before faulting in a 2750m Ecommoy Class F late-March, and must get his house in order

Lady Elle Unraced since coming 5th of 7 in a 2100m Cholet Class D last October and will need the run

Lorian Serious sort that won a 2675m Lisieux Class F before being disqualified for interference. Looks a filly for the future and must be taken seriously

Lewis De Ginai Lost his action, when never threatening, in a 2800m Argentan Class E on 15 April. Has references at a lower level and is not about to cause an upset

Label Turgot Reassuring 3rd of 8 in a 2825m Vire claimer last weekend but the step up in class will be a step too far

Lembelie Verderie Won first time out last summer before being put away. Unexceptional 7th of 16 in a 2800m Argentan Class E on re-entry mid-month. Unlikely to spring a surprise but, with Paul Ploquin reining, will be afforded every chance

Loving Star 2nd, to complement his debut 3rd, in a 2000m Rambouillet Class F 3 weeks ago. Returns to racing on a hard surface and, on current trajectory, will have his supporters

Licenza Has not been seen out since winning a 2300m Argentan Class F on 18 February. Is an improving filly and, even taking on the colts, looks a player

Lancier Du Goutier Qualified nicely last autumn and most recently won a 2000m Rambouillet Class F with consummate ease and will be expected to confirm

Lord Delo Won smartly on debut before losing his action early in a 2200m Vincennes Class D 11 days ago. Returns to racing clockwise and can set the record straight

Little Black Mo Tricky colt that reassured somewhat when 4th of 8 in a 2850m Mauquenchy Class E earlier in the month. Entrusted to a leading driver this time and, with application, can go close

Lipton Du Noyer Respectable 4th of 6 finishers in a 2850m Vincennes Class D on 9 April. Yet to get off the mark but is clearly on the right road and must be respected

After qualifying in 1'17"3 last autumn, it was no surprise to see **LANCIER DU GOUTIER** (13) impose first time out; she will have come on for the run and moves up in category with hind pads fitted and every chance of repeating. Also a winner first time out, **LORD DELO** (14) was sanctioned next time but can play a leading role if Romain Congard assures his initial strides. **LIPTON DU NOYER** (16) benefits from a good entry and, plainly in form, can make the frame this time, as can **LITTLE BLACK MO** (15) if David Thomain keeps him trotting.

FORMEN

Koumba Mesloise Sanctioned in a 2150m Argentan Class E late last month. Not easy to trust but is not devoid of ability either and could pleasantly surprise

Kelle Fleche Sanctioned early in a 2875m Argentan Class E mid-month but has bags of class and can win this if she gets off on the right foot

Kala Des Racques 2nd, for 2nd time in a row, in a 2500m Reims Class F earlier this month. Handed a great spot behind the car and, with form maintained, can play a leading role

Klara Quality element starting for the first time since coming 3rd in a 2700m Vincennes Class D late-August, and with shoes on is unlikely to shake things up

Kivaoa Du Perche 4th of 10 in a 2350m Angers Class E on 3 April, after having placed over course and distance a fortnight earlier and, from the 5-spot, will have her chances

Kaline D'erable Produced the goods, when first time barefoot, in a 2700m Graignes Class F a fortnight ago and confirmation is a distinct possibility

Kutara Miche Won a 2675m Class F at Le Mont-Saint-Michel 3 weeks ago. Not once out of the frame when barefoot and although stepping up in class, can still get a look-in

Karaibe De Tillard Unraced since being sanctioned in a 2850m Vincennes Class D late-November. Is barefoot for re-entry but starts wide and will need to be at her absolute best

Kerida Best Disappointing this season, most recently 8th of 13 in a 2875m Argentan Class E mid-month. Races first time barefoot but the draw will do her no favours

Kita Jador Useful for the most part but below-par 7th of 11 in a 2600m Nancy Class F late last month. On the back row and is unlikely to trouble the opposition

Knitulia Gave a fine account on re-entry before faulting, when well-supported, in a 2500m Reims Class F on 8 April, and even from the 2nd line, should not be ruled out

Kache Kache Respectable in both starts since the break, latterly 5th of 11 in a 2625m Cherbourg Class F early-April. 4 pads fitted this time, but other considerations are preferred

Kasta Du Rib Unraced since losing her maiden status in a 2350m Angers Class E last October. Starts on back row and is unlikely to be given a hard race

Kina Du Goutier Sanctioned on comeback in a 2150m Argentan Class E late last month. Unshod-behind this time but still not an obvious choice

Karla Turgot Sanctioned in a 2800m Class H at Villedieu-les-Poeles on 24 March. Has done nothing of note for some time and can be ruled out

Keria Fleury Honest filly that came 3rd, a place behind KERIA FLEURY (16), in a 2050m Lyon-La Soie Class F a month back. Not ideally drawn but with the leading driver reining, will be afforded every chance

Kaleda De La Cour Sanctioned in a 2700m Graignes Class F on first start since the layoff and will have nothing to offer

Kinte Royale Has not been seen out since getting off the mark in a 2850m Laval Class E late-September. Shod for comeback and best to hold off

KELLE FLECHE (2) has shown considerable class since her first steps on the race track; she was sanctioned at the start last time out but can more than make amends if Clement Duvaldestin assures her initial strides. Similarly starting in front, **KALINE D'ERABLE** (6) rang rings around the opposition last time out and steps up in category with a good hand to play. **KIVAOA DU PERCHE** (5) has already placed under these conditions and is sufficiently well-positioned to repeat. **KERIA FLEURY** (16) has been handed a tough draw but showed marked improvement last month and, with Eric Raffin reining, will be no pushover.

FORMEN

Justybilie Du Luot 6th of 10 finishers in a 2700m Graignes Class F 2 weeks ago. Is unlikely to set off any fireworks but can at least hold her own

Jeunesse Doree Unexceptional mare making her first appearance since being sanctioned in a 2725m harness Class F at Grenade-sur-Garonne last August and chances slim

Jamba De Gladjess Disappointing on the whole for some time, most recently 7th behind JUSTYBILIE DU LUOT (1) at Graignes and, even though barefoot, can expect to have few friends

Jouvence 9th of 10 in Graignes race of reference. Stays shod and can be ruled out

Janna Jayf Moves to the monte code after coming 11th of 13 in a 2825m Chartres Class E mid-month and has no realistic chance

Juvigny Sanctioned in both starts this term, latterly a 2825m Carhaix harness Class F earlier in the month, and can be confidently written off

Jaliska Des Champs 8th of 10 finishers, behind JUSTYBILIE DU LUOT (1) in a 2700m Graignes Class F a fortnight back. From pads fitted this time but others still preferred

Joyce Priory Sent for a break after opening her monte account last September. Will be fresh by now and returns to her code of preference with a realistic chance of imposing

Jonquilette Crepin Sanctioned on lone appearance under the saddle but won a 2775m Elbeuf harness Class H early this month. Returns to the monte code with Eric Raffin in the irons and looks a possible spoiler

Joy Perrine Lost her action in a 3125m Angers Class E on 11 April. Has an abundance of ability though and, with Benjamin Rochard riding, is not incapable of finishing close

Jade Du Parc Quality element that came 2nd to a very good horse under these conditions mid-March. Has had time to freshen up and can finally get off the mark

Japonica Switches code for the first time after trotting 3rd of 11 in a 2650m Carpentras harness Class D on 14 April. Entrusted to a top jockey this time and must be taken seriously

Although still winless after 24 starts, **JADE DU PARC** (11) has finished bridesmaid on numerous occasions, notably 2 weeks ago here and, in the absence of the winner, can finally get that maiden monkey off her back. A winner at Mauquenchy last time under the saddle, **JOYCE PRIORY** (8) has two conditioners under her belt, is 25m better off and, with application, can give Clement Frecelle's mare a run for her money. **JAPONICA** (12) debuts in the discipline, in-form and with Mathieu Mottier onboard, and is unlikely to let the side down. **JONQUILLETE CREPIN** (9) is ideally-engaged on the front row and, although unlikely to repeat her recent harness victory, should nevertheless figure prominently.

FORMEN

Iermont Capricious type starting for the first time since being sanctioned in a 2875m Meslay-du-Maine Class C last June and will be race-rusty

Isaric Winner of a 2825m Vire Class F on 31 March. Has a good spot in front, appreciates Caen, and must be considered a leading contender

Ivarun Produced a good effort to come 3rd of 15 in a 2750m Ecommoy Class F on 1 April. Is close to his race and is in with a realistic shout of getting off the mark

Illuminator Last of 13, on first start since the break, in a 2150m Mauquenchy Class E on 4 April. Is confirmed here, is shod to preference, and must be taken seriously

Iron Bird Devol 3rd over course and distance before repeating in a 2400m Amiens amateur Class G 3 weeks ago. Well-positioned in front and has every chance of opening his 2024 account

Irlandaise D'arbaz Has kept on improving since returning to competition, most recently 3rd of 9 in a 2700m Class F at La Capelle, and will be expected to figure prominently

Ilona De Neret Tricky mare that got back in the game 2 weeks ago when 2nd of 15 in a 2725m Lisieux Class E and can get in on the action if Lana Henry manages to keep her focused

It's Eagle Coglais Sent for a holiday after being sanctioned in a 2850m Laval Class D last June and, shod for re-entry, is not about to set the world alight

Intouchable Ar Sent for a break after winning a Castera-Verduzan claimer over 2825m early-October. Barefoot for re-entry but is not about to shake things up

Issambres Not without ability but sanctioned in last 2, latterly a 2700m Graignes Class F a fortnight back. Starts on the back row and chances limited

Infante Unplaced in both this year, most recently 13th of 15 in a 2925m Amiens Class F, and can be ruled out

Isea Du Quenne Capricious type starting on the 2nd line, but has merit and can get a look-in if her apprentice keeps her trotting

Islande De L'iton Sanctioned in a 2625m Cherbourg Class F on 1 April. Never made good on her early promise and appears to be out of her depth

Intact Du Tertre Trounced on re-entry here before faulting in a 2725m Lisieux Class F a fortnight back and can expect to remain friendless in the markets

Indien Du Liamone Modest individual that came last of 11 in a 2900m Arras Class G last weekend. Handled a poor draw and can be confidently passed over

Iris Courtoise Sanctioned in a 2850m Laval Class E 8 days ago. Is in form but stays shod and others preferred

Erratic he may be but when focused **IRON BIRD DEVOL** (5) is a tough individual and, sporting a revised configuration, looks a serious proposition. There will be resistance though from the ideally-placed **IVARUN** (3) who has yet to put a foot wrong this term, and **ISARIC** (2) who has won 2 of his last 4. **ILLUMINATOR** (4) also benefits from a decent draw and, if fully-fit, will not be far from the action.

FORMEN

Jetrass 8th of 11 in a 2700m Graignes harness Class F mid-month. Opened his monte account, however, last time under the saddle and barefoot this time should be retained

Jagersro Delicate but may have found his niche under the saddle, most recently winning a 2450m Castillonnes Class F early-April, and can again figure prominently if he stays in stride

Jasmin De Canchy Sanctioned in 2, latterly a 2725m Lisieux Class E last month, after having opened his account at Challans and, shod for the occasion, is unlikely to spring a surprise

Joker Batman Can prove tricky but reassured when 2nd of 5 in a 2550m Reims Class F earlier in the month. Is behind in earnings and, from the front row, can play a leading role

Jet Du Ravary Sanctioned in a 2800m Rambouillet harness Class E last weekend after having imposed at Strasbourg. Shod differently this time and, with application, can put his recent sanctions behind him. Place prospect

Juriti 6th of 10 in a 2750m Elbeuf harness Class F on 14 April, and in this company will have his work cut out

Jihere Du Poret Has not been seen out since coming 8th of 9 in a 2700m Vincennes Class E late-December. Shoes off for re-entry but starts on the back row and not an obvious choice

Just Pacha On a fine run of form before finishing a lacklustre 6th of 7 in a 2550m Reims Class E 10 days ago. Back barefoot though and can make amends

Jazz Sanctioned in both monte starts to date, latterly a modest 6th of 12 in a 2100m Vincennes harness Class E, and returns to the discipline with limited aspirations

Jersey Style Lost his way last season, going into his layoff after faulting in a 2825m Chartres Class F early-December. Stays shod for return and poses no danger

Jet Meslois Sanctioned in a 2800m Rambouillet Class E 3 weeks ago when prepping for this. Is competitively-shod this time and looks a solid first-3 prospect

Jablo Du Chene Impressive winner of a 3125m Angers Class E, on re-entry, just over 2 weeks ago and if still on the boil, can walk away with a double

Jad De Calix Sanctioned in a 3150m Saint-Brieuc Class E a month back. Has ability but others much easier to trust

A quality element that seldom disappoints when applied, **JABLO DU CHENE** (12) got straight back in the game after his break and, with form maintained, can repeat. Paul Ploquin will still be wary of the recently-reinvigorated **JOKER BATMAN** (4) who breaks with a 25m head-start, and the similarly well-placed **JET DU RAVARY** (5) who sports a new configuration and who will be reined by a leading pilot. **JET MESLOIS** (11) is not everyone's cup of tea but he has ample ability and racing with front pads will do his prospects no disservice.

FORMEN

Kentucky Sam 12th of 13 finishers in a 2875m Argentan Class E mid-month. Just front shoes off this time but current form does little to inspire confidence

Keep Trust Drops back in category after coming 9th of 10 in a 2100m Vincennes Class D a fortnight ago. Benefits from a good entry and, with application, can make a big splash

Kenyan Blues Has not been seen out since finishing 9th of 11 in a 2850m Vincennes Class E last December. Races first time barefoot though, and from the 3-spot will be worth monitoring

King De Larre Pleasantly surprised when securing a 2900m Amiens Class F 3 weeks ago. Steps up in category but has the plum spot behind the car and, with form maintained, can pick up some prizemoney

Kirwan Thoris Has shown improvement since starting to race barefoot, most recently 3rd of 16 in a 2850m Mauqueney Class E on 4 April. Well-positioned and while unlikely to impose, should still figure prominently at the business end of the race

Kalou D'iroise 8th of 12 in a Class E over course and distance on 18 March. Stays shod and will have other priorities

Knox Jenilou Won at Vire earlier this term before faulting twice, latterly in a 2350m Angers Class E on 11 April. Races barefoot for the first time and can put his recent sanctions firmly behind him. Claim

Kennedy James 3rd over track and trip last month before faulting in a 2625m Cherbourg Class F on 1 April. Races barefoot this time though and, although drawn wide, must still be afforded respect

Kingman Delo Pleasant 7th of 12 in a 2350m Angers Class E on 11 April, on first start back. Will have progressed and should logically be in a position to challenge for victory this time

Kapi Joe Modest individual that was sanctioned in a 2625m Cherbourg Class G early last month and, barefoot or not, has nothing going for him here

Kenzo Du Mont Kicked the year off superbly but has since lost his way, most recently last of 11 in a 2800m Tours Class F a fortnight ago and, even sporting a new configuration, will struggle to make his mark

Kristobal Won over course and distance last month before trotting good 3rd of 7 in a 2500m Reims Class F earlier this month. On the back line, but form is not in question, and the new shoeing formula may be just the ticket. Chance

Kentucky Scarlet Has not been seen out since securing a 4th successive sanction in a 2200m Vincennes monte Class C last August. Has talent to burn and races unshod-behind, but will need the outing

Kashkai Got off the mark at Reims last month before faulting early in a 2850m Mauqueney Class E on 4 April. Returns to racing clockwise and will generate some interest

Kalif Turgot Sanctioned in a 2725m Lisieux Class F a fortnight ago. Shoes on again and no threat

Kerozen Du Vivier Promising colt starting for the first time since winning a 2700m Graignes Class F last August and will not be given a hard race

A number in contention here but a tentative nod nevertheless goes to the tricky **KNOX JENILOU** (7) who races barefoot for the first time. **KINGMAN DELO** (9) will have come on for his re-entry run and, despite the wide draw, still looks better than most here.

KRISTOBAL (12) is forced to start on the back row but won here last month, sports a new configuration and, with David Thomain reining, will be no soft touch. **KEEP TRUST** (2) has a good spot behind the car and will have a lot to offer if he takes to the new conditions.

FORMEN

Jannig D'erevan Lost his action in a 2150m Enghien Class E late last month but is hard to fault when focused. Has never shown much liking for Caen but in current condition is hard to ignore

Jade Undeniably capable but disappointing 6th in a 2875m Argentan Class E late-March and will need to find significantly more

Jafar De Fael Produced some decent results this year before faulting in a 2875m Argentan Class E a month ago. Appreciates Caen and, with application, can get in on the action

Jaministar 9th of 10 finishers in a 2850m Laval Class E on 30 March. Sanctioned in both previous starts here and looks outclassed

Jaya Des Brousses Quality mare making first appearance since coming 4th of 13 in a 2850m Vincennes Class D early-January. Shoes on and best to hold off

Jingalo Du Chene Useful sort that was sanctioned on comeback in a 2625m Cherbourg Class E earlier in the month but goes barefoot this time and is unlikely to disappoint

Jupiter Madrik Pleasant 2nd of 12 in a 2750m Class E at La Capelle 3 weeks ago but a repeat seems unlikely

Joker De L'epine 8th of 9, on re-entry, in a 2500m Reims Class D 10 days ago and can be confidently disregarded

Jackpot D'orgueil 5th of 13 in a 2400m Amiens Class E early last month. Has had time to sharpen up and, with Eric Raffin reining, will be dangerous

Jacadi D'argilin 10th of 12 in a 2875m Argentan Class E, when being conditioned, late last month. Out of his category here but is shod competitively and will be worth monitoring

Jolie Indienne Returns to the harness code after coming 3rd of 12 in a 2800m Tours monte Class F 2 weeks ago and while not a priority, still looks an interesting outside chance

Julia D'amour Occasionally a handful but otherwise very useful. Close 2nd in a 2700m Vincennes Class E on 9 April and, with form maintained, can bring home the bacon

Joker Madrik Pleasantly surprising 3rd of 13 in a 2800m Rambouillet Class E 3 weeks ago, on first appearance for almost 9 months, and is eminently capable of winning a race of this nature

Julie Du Clos 12th behind JOKER MADRIK (13) in a 2800m Rambouillet Class E 3 weeks ago and, even though reverting to a proven formula, can still not be considered a player

Juvamine Renardier 10th, a place behind JULIE DU CLOS (14), in a 2875m Argentan Class E a month back and will have little to offer

Joker Du Pont Sanctioned in a 2800m Rambouillet Class E earlier in the month. Front pads fitted for the first time but is unlikely to make any impact

Quite a contest in prospect here, with the recently reinvigorated **JULIA D'AMOUR** (12) returning to a track she likes and should have the measure of the boys this time, although **JOKER MADRIK** (13) gave an excellent account on re-entry and will have come on for the run. **JACKPOT D'ORGUEIL** (9) is no slouch either and, barefoot for the occasion, looks to be in with a realistic shout. **JINGALO DU CHENE** (6) has a race under his belt, is barefoot with David Thomain reining, and will be competitive for a place on the podium.

FORMEN

Captain De Cerisy Ignore bad last run, won over 1800m at Lyon La Soie before that and has strong each way claims

Que Vendra Lightly raced, interesting runner and can go one more on recent 2nd over 2400m at Lyon La Soie on the 15th of March in a Handicap. Value selection

Living Nelson He caught the eye last time when 2nd at Lyon La Soie over 1800m in a Handicap. Should be right there at the finish. Big chance

Agoueil Won a weak claiming race over 2000m at Saint-Cloud on the 5th of April and might battle to follow up. Small place chance

Rio Grande Taking time for maiden win, finished 9th over 2400m in a Handicap last time. Much more needed for the win. Pass by

Kalife Alaplace Long time maiden but is consistent. Placed 2nd over 2000m in a Handicap at Compiègne on the 16th of this month. Good chance

Gamechanger Has fair overall form but will need to progress on latest 6th over 2000m at Compiègne on the 16th of April. A must for all bets

Interieur Has won ten times, fresh off a victory at Marseille Vivaux over 2000m in a Handicap on the 12th of this month. Serious contender

Lejendario Ignore last run in a tough Handicap, placed 3rd over 2150m at Lyon La Soie in penultimate and has a strong place chance

Showersofblessing Current form needs plenty of improving on and cannot be selected for any bets. Finished 9th last time. Happy to ignore

Sylvester Samba Has not been too far adrift the winners recently and could get in to the back end of the quartet. Do, however, prefer others

Everman Finished 2nd over 1900m in a Handicap at Deauville on the 9th of April and can go one more. Strong chance

Estokenia Never shone last time when 6th over 2000m in a Handicap and will need to serve up much more to threaten here

Orkan Will need to build on recent 8th place at Marseille Vivaux over 2000m. Others preferred for the win. Happy to ignore

Vittvitt Can progress on latest 4th over 2000m at Marseille Vivaux and is worth including in the quartet

Darlyvi Hard to fancy on latest form, finished 14th over 2400m at Lyon La Soie in December last year. Might need and prefer others

CAPTAIN DE CERISY (1) is a tad erratic and slightly tough to assess but on very best form should be a massive contender for top honours. **EVERMAN** (12) ran a huge race to finish second at Deauville last time and can go one better. **KALIFE ALAPLACE** (6) is taking forever to secure the maiden win but is running well and should be able to pass the line in first soon. **LIVING NELSON** (3) is one for the shortlist and the quartet perm.

BELAFONTE (7) doesn't come in with the best form figures but has been taking on stronger and this looks to be an ideal race for him to get his winning mojo back. **VILLAGE ANGLAIS** (1) drops in class and looks to be a serious chance having dropped a few points in the ratings. **GRECIAN BONANZA** (2) just found one too good and should run a similar type of race. **JOLI CORBEAU** (9) has a light weight and can run into the minor positions.
